ANANIA SHIRAGATSI

Posted on June 1, 2015 by Keghart

Category: Did You Know?

Scholar Anania Shiragatsi (6th-7th centuries) said that the Armenian alphabet conceals all knowledge on Earth. However, he had not found a disciple worth to be entrusted with this greatest mystery, he said.

Scholar Anania Shiragatsi (6th-7th centuries) said that the Armenian alphabet conceals all knowledge on Earth. However, he had not found a disciple worth to be entrusted with this greatest mystery, he said.
