On June 30 a webinar with analysts **Lilit Gevorgyan** and **Armen Kharazian** entitled "A Master Plan? Russo-Azeri Strategy for Armenian Pacification" took place. It was part of 'What's Next Series' on Post War Armenian Reality.

The discussion concentrated around Armenia's defense industry, Russia's realignment with Azerbaijan, its foundation/impact of joint vision, challenges to post-war sovereignty in Artsakh and the Republic of Armenia.

We present the online discussion below:

The event was co-sponsored by the following organizations:
Ararat-Eskijian Museum
