Declaration of CHARTER '77 D/5

On 13.10.1976, there were published in the Codex of Laws of the CSSR /no.120/ an "International Pact on Civil and Political Rights" and an "International Pact on Economic, Social and Cultural Rights", which had been signed on behalf of Czechoslovakia in 1968, confirmed at Helsinki in 1975 and which came into force in our country on 23.3.1976. Since that time our citizens have had the right and our state the duty to be guided by them.
