## Գրականութիւն Եւ Ինքնութիւն

## Emergency Medical Aid for Artsakh

## Crusaders Take False Credit

The Jerusalem Cross, which comprises of one big crucifix surrounded by four smaller ones was created by Armenians in Cilicia. The Crusaders saw it there for the first time. They adopted it and took the design to Jerusalem. Since then the Armenian Cross has been called the Jerusalem Cross. It has become one of the insignia of the Latin Patriarchate in that city. See More
