Gevork Vartanyan, hero of the Soviet Union

The plan was to eliminate them when they met at the Tehran conference in 1943. But thanks to the efforts of Soviet intelligence, the attempt failed. The story inspired a whole series of books and movies. But for an insider account, nobody knows more than Gevork Vartanyan, the man who actually saved the lives of the big three. He was the legendary spy who came in from the cold - a hero of the Soviet Union.
