

# BATTLING ONTARIO HEALTH INSURANCE PLAN OVER SURGERY

*Posted on June 12, 2011 by Keghart*

Category: [Opinions](#)

May 30, 2011

"Sevan Hajinian suffers from agonizing back pain, and the surgery to correct it would be so complex that she has been unable to find a Canadian surgeon willing to do it. For three years, she has been offered little more than painkillers and crutches – making her the unwanted patient....she is locked in a health-care limbo." **Globe & Mail**
