People of Armenia poured into the streets of Armenia for the past two weeks; they peacefully demonstrated and demanded removal from power of RPA (Republican Party of Armenia – ՀՀԿ - Հայաստանի Հանրապետական Կուսակցություն). Serzh Sargsyan resigned from his newly self-appointed office under the widespread pressure of the people led by the opposition leader Nikol Pashinyan.

The acting Prime Minister Karen Karapetyan desperately tries to consolidate power in his hands to prolong an illegitimate oligarchic governance of RPA for another 4 years until 2022 to no avail. People of Armenia and Diaspora Armenians in all major cities worldwide show their support to this unprecedented movement to subvert the ill-conceived attempts to prolong RPA lifeline and also to fulfill the will of the people to elect Nikol Pashinyan as the next Prime Minister.

We, concerned Canadian Armenians will gather in front of the Embassy of the Republic of Armenia in Canada to express our unequivocal support to the people of Armenia in its struggle to establish democracy and a fair socio-economic-political system.

Date & Time: Sunday, April 29, 2018 at 12:00 pm.
