

CLIMATE CHANGE / GLOBAL WARMING

Posted on August 15, 2009 by Keghart

Category: [Opinions](#)

By Prof. Hovhanness I. Pilikian, London UK, 14 August 2009

Prof. Pilikian is a distinguished British Armenian Polymath: Theatre-director, Social Scientist, Poet, Sculptor, Academic, Historian, Linguist, and author of path-breaking books on Classical Japanese Theatre, and Armenian Cinema. In the following short video-clips he passionately emphasizes the dangers of climate change related to Global Warming.
