✘ On the 4th of September close to 500 individuals participated in the **political gathering** organized by the local committees of the traditional three Armenian parties. Following a video-taped interview with Hagop Der Khatchadurian of the ARF Bureau, Mr. Levon Hasserjian presented a comprehensive report about the contents of the **"Protocols"** and a thorough analysis of their disastrous implications for the future of Armenia and Armenians. After a session of Q&A the joint declaration of the political parties was read to the public. The gathering was concluded with a video of a patriotic song by Arman Hovhannisyan, displayed below.

A similar gathering will take place on **Wednesday, 9th of September at 8:00 pm** in Pasdermajian Hall, Sourp Hagop, 3400 Rue Nadon, Montréal.

Probably this assembly was an opportunity missed for non-affiliated organizations, although "independent" individuals were prominently visible.
