Santoush Aurora, an Indian scholar who is fluent in Armenian, says that the Hindu Rig Vega sacred books say the Aryans (Aryatri) came from Armenia. She says the Aryans first settled in Kashmir and in Punjab. The Vedas also give detailed description of the Armenian Highlands, she says. Aurora is compiling a dictionary which will list 10,000 root words which are similar in Armenian and in Hindi. She cites tonir, das, hazar, banir, mernil, gemenel as some of the words common in both languages.
