Dear Reader (Canadian citizens and permanent residents),

Re: House of Commons Petition e-2885 (opened on 9th October 2020 and will close on 8th November 2020; to date 1361 signatures)

Thank you for your support in signing the petition addressed to the government of Canada related to the Azeri-Turkish aggression. So far 2555 signatures are collected. The House of Commons (Parliament of Canada) has approved to circulate the petition on its official government site to verify the authenticity of the signatures. It's important that a specified number of signatures get collected.

Please take a moment and click on House of Commons Petition e-2885

It will open the site. Scroll all the way down. Once you have signed, you will receive a note for verification. Answer to that note.

Thank you for your cooperation. With your help we are confident that the Government of Canada will take appropriate action.

Respectfully,

Arusyak Karapetyan

Anahit Armenakyan

Where are our humanitarian rights? We are all allowed to be free without dictators. If everyone would keep to their county we would have peace. Canadian Government your delay and silence is unacceptable!

We need your help. My Grandparents didn't survive the genocide just to have their families relive it. Please.
