This land WAS your land,
 This land IS my land,
 From Nakhichevan
 To Cyprus Island
 From Central Asia
 To the Bay of Biscay,
 This land was made
 For Turkey and Me!

As I went to the EU
 There was a sign that said
 "No trespassing."
 But the other side
 Said nothing.
 That side was made
 for Turkey and Me!

Nobody living
 Can stop me,
 Nobody living
 Can make me
 Turn back!
 This land was made
 For Turkey and Me!

With acknowledgment to American folksinger/songwriter Woody Guthrie, whose contested vision of equality in his original lyrics can be seen by Turkish President Erdogan as an anthem of Western expansion and conquest.
