For a long time it has seemed to me that Aliyev's nose is pregnant.

**Boghos** – 2022-11-10 00:11:31

I am glad Aliyev's nose has found a prominent place in this cartoon. The Azeri Butchery Museum features caricatures of tortured Armenians with enormous noses and unbrows that look more like Ilham Aliyev and Ramil Safarov than ethnic Armenians. Projection much?
