Why? Because I don't go to Harvard?
No, it's because you're not destroying evidence that Armenians, Assyrians and Greeks are the historic masters of these lands!
Ouch!

Very good. Needed to be said. The US, Europe, the UN, Russia, and Christians have long just sat around doing nothing while Turkey and Azerbaijan destroy Armenian churches, monuments, and cemeteries. They say they respect national heritage, but it's really just a lot of hot air by windbags. Recall the videotaped ("New Tears of the Araxes" https://www.youtube.com/watch?v=JZu2zqFE_gI) destruction of the Armenian cemetery in Nakhichevan by Azeris. Barbaric.
