Mr. Michael Coren discussed the Armenian Genocide on his talk show "The Arena with Michael Coren". His guest was Mr. Jirair Tutunjian, the editor of keghart.com. The segment was telecast during the one-hour show starting at 7:00 p.m (Central) on Tuesday Nov. 1, 2011.

Thank you Mr. Coren, Mr. Tutunjian and SUN TV for a superb presentation. We extend our thanks also to all those invisible individuals who helped usher this timely interview. We hope Mr. Coren will revisit the subject as stated towards the end of the interaction with Mr. Tutunjian.

It is redundant to say that Mr. Coren and Sun News Network will be inundated by complaints from the denial machine. Therefore, it is incumbent upon us to act as conscientious Armenians and show our appreciation to Mr. Coren and the TV station. We need to send complimentary messages.
