Hon.Hranush Hakobyan
Minister of Diaspora
Yerevan, Armenia

Hon. Minister Hakobyan,

Keghart.com editorial board wishes you and your staff a Happy New Year, a very Merry Christmas, and much success in your efforts in promoting communications between the motherland and Diaspora.

The decision of the government of the Republic of Armenia to permit the operation of foreign-language schools has, as you know, elicited a great deal of interest and controversy in Armenia and in the Armenian Diaspora.

As editor-in-chief and publisher of Canada-based Keghart.com, one of the most active Armenian Diaspora websites, I cordially invite you to write for our readers an article/open letter, to help us better understand the development and the RoA government's decision. The article will appear as is.

Thank you in advance.

Yours truly,

Dikran Abrahamian BA, MD
Editor-in-chief and Publisher
