SCIENTIFIC METHOD AND ANCIENT ESOTERIC KNOWLEDGE

Posted on June 4, 2014 by Keghart

Category: Opinions

In the below short videos Prof. Hovhanness I. Pilikian presents the esoteric knowledge behind the 'tales' passed on to mankind over thousands of years. The scientific method of the ancient Greeks (Heraclitus for one) to modern historical research is discussed, in addition to an appreciation of the Bible as a historical document that contains deep secrets. "Noah's flood serves an important warning to mankind," maintains Prof. Pilikian.--Editor.
