Is that not what cartoons are drawn for? To humor the real. There is a lot of realism in Sevag's cartoons over the theme, "WE ARE F*CKED", packaged nicely in the well known Armenian campaign slogan.

Sevag's cartoon's are a huge plus to the Keghart "package." However, I wish occasionally Sevag would draw a cartoon which is positive and helps lift the spirits of Armenians in these difficult times. There must be positive developments in the collective lives of six (?) seven (?) eight (?) million Armenians.
