## Sharing the Journey

Author **Wendy Elliott** will discuss  
the challenges and rewards of  
creating **Grit and Grace in a World  
Gone Mad: Humanitarianism in  
Talas Turkey 1908-1923**.

It tells the remarkable yet little known  
story of a small group of American  
and Canadian missionaries and  
relief workers in Talas who saved  
thousands of Armenian, Greek and  
Turkish orphans from starvation,  
disease and harm during the dying  
days of the Ottoman Empire.
