The Yalkezian Foundation has undertaken to cover the school's annual food expenses. Additionally, the foundation will try to raise funds to support the school's heating system and other costs.

Under the title of "Armenia Assistance Programme" or AAP, the Armenian Association of Toronto has been helping the Yalkezian Foundation to raise funds for different projects. It is with great pride and pleasure that for the second year in a row, the association has undertaken the task of raising all the necessary funds to provide the young bright talents of our future their basic nourishment every day.
