AMMAN, Jordan, August 11, 2012- John Baird, Canada's foreign minister pledged \$6.5 million in additional aid to Jordan in its efforts to help displaced Syrians after seeing a refugee tent city and calling the worsening situation in neighbouring Syria "tremendously horrifying."

Please read Harout Bronozian's questions addressed to his TV program "Veratarz" (Return) viewers in United States. The very same questions may be posed to Keghart readers in Canada. How can Canadian Armenians, their representatives, lobbyists and political leaders "influence" the Canadian government and ask that part of the aid be provided to Armenians in Syria?

Greetings,

 Below are you tube videos and articles about the situation of Armenians in Syria, the problems they are facing in Armenia and foreign interventions in Syria.

My TV program this Wednesday will be about these issues.

Please review the videos below and answer the following questions:

Greetings,

 Below are you tube videos and articles about the situation of Armenians in Syria, the problems they are facing in Armenia and foreign interventions in Syria.

My TV program this Wednesday will be about these issues.

Please review the videos below and answer the following questions:

1.What are the political Armenian parties doing to influence the US Government to stop their illegal interventions in Syria?

2.What is the Armenian Church and other organizations doing about this.

3.How can US Armenians influence the US Government to stop any aggression from foreign terrorists on Armenians in Syria.

4.What steps must be taken by the Armenian government to face these issues.

5.Do we have a well-defined policy regarding the situation in Syria.

What do you think about organizing a mass demonstration in front of the Federal Building in West Los Angeles protesting against the US, Turkish and Israeli foreign policies in the Middle East, that is directly affecting the Armenian communities there?

Your opinions and participation in these issues are welcome.

Please e-mail me. If you have a representative who wants to come on my TV show, please let me know.

Regards,
