Free Admission
Pre-lecture Reception at 7:30pm
Discussion to follow

Towards PositiveAction

is a lecture/presentation/discussion about new ways to look at the Diaspora
addressing various critical issues and analysis involving
language, identity, lack of intellectualism, misinformation, disinformation, legitimacy, etc.
There will be new proposals of
instructional, organizational, and intellectual models,
along with concrete projects:
Diaspora Congress
Armenian Genius Project
Diaspora in the Legislative Assembly of Armenia

Global Mobilization Learning Initiative
